

S.06.01. – Summary of assets

General comments:

This Annex contains additional instructions in relation to the templates included in Annex I of this Regulation. The first column of the next table identifies the items to be reported by identifying the columns and lines as showed in the template in Annex I.

This annex relates to annual submission of information for individual entities. This template is applicable only for the insurance and reinsurance undertakings exempted from the annual submission of item-by-item information in accordance with Article 35 (7) of Directive 2009/138/EC.

The asset categories referred to in this template are the ones defined in Annex III – Assets Categories of this Regulation.

This template contains a summary of information on assets and derivatives regarding the undertaking as a whole, including assets and derivatives held in unit linked and index linked contracts.
