

### S.31.01. - Share of reinsurers (including Finite Reinsurance and SPV's) – (old Re-J3)

#### General comments:

This Annex contains additional instructions in relation to the templates included in Annex I of this Regulation. The first column of the next table identifies the items to be reported by identifying the columns and lines as showed in the template in Annex I.

This annex relates to annual submission of information for individual entities.

This template shall be filled by the insurance and reinsurance undertakings where a recoverable is recognised in relation to the reinsurer (even if all contracts with that reinsurer have terminated) and whose reinsurer is reducing the gross technical provisions as per end of the reporting year.

The template collects information on reinsurers and not on separate treaties. All ceded technical provisions, including those ceded under Finite reinsurance (as defined in S30.03.b Column C0060), must be completed. This also means that if an SPV or a syndicate of Lloyd's acts as a reinsurer the SPV or the syndicate must be listed.
